Print Approval Form

Please sign and date EACH page(s) of this form and then fax back to us. We will not proceed with your print job without receipt of this document. If you cannot fax, then print out, sign and date, scan, and email to: proofs@prosbo.com.

NOTE: the lines that create the outside border indicate where your print project(s) cut.

A WORD ABOUT COLOR MATCHES: Every monitor will display color differently and every printer will produce color differently, especially your desktop color printer. We NEVER guarantee color matches. Your colors will print close, however, to the image that we have created and you are viewing electronically.
